

***The CyPosium invites  
cyberperformance artists,  
researchers and interested  
participants to share and discuss  
past online performances:***

*What different kind of  
events happened?*

*What did they make possible?*

*What was special about the event?*

*Why were things done in a certain  
way and what were the results?*

[www.cyposium.net](http://www.cyposium.net)  
[info@cyposium.net](mailto:info@cyposium.net)

**Presenters:**

**Maria Chatzichristodoulou**

**Auriea Harvey and Michaël Samyn**

**Alan Sondheim**

**Miljana Perić**

**Stephen A. Schrum**

**Joseph DeLappe**

**Adriene Jenik**

**ActiveLayers**

**Roger Mills**

**Maja Delak and Luka Prinčić**

Just like cyberperformance, everything will happen online, in real time; all you need to participate is a standard web browser and broadband internet connection. More information is available at [www.cyposium.net](http://www.cyposium.net), and there will be live links there on the day.

**Friday 12 October, from 3pm UK time**  
**( find your local time at [www.cyposium.net](http://www.cyposium.net) )**
